

Self-Contained Granular Ice Cube Maker

SKOPE ID: ICE QUEEN IQ50 R290

Dimensions: 465mm (W) x 595mm (D) x 784mm (H) | 889 - 939mm (H w/ adjustable legs)

Ice Production: 55kg per 24h (Air temperature 21°C, Water temperature 15°C)

Storage Capacity: 20kg

Description

Self-contained ice maker producing dry granular ice with a production of 55kg/24 hours with reduced water usage and electricity. Virtually zero impact on the environment with R290 natural refrigerant. The ice maker produces dry granular ice which is perfect for cocktails, storage of perishable foods, healthcare and therapeutic treatments. Tropical T Class compressors suitable for extreme climates, rated to 43 degrees Celsius. Cleaning switch allows circulation of water with descaling product (Calkin or similar). The never-stop motor pump from ITV is designed without seals to prevent deterioration in hard water regions, and the units have a built-in lined storage bin which holds up to 20kg of ice. The unit can be ordered with an internal drain pump or without. Auger built from strong solid AISI 304 stainless steel, with a resilient coating that maximizes product lifespan. Self-contained units come with standard adjustable legs, and optional lockable castors 62mm high or 10mm levelling feet are available at an additional cost. Filter systems need to be installed with the ice machine to protect the 2-year parts and Labour warranty. Best suited to: Clubs / Pubs / Bars.

Supplied Accessories

Water Inlet
Hose

Drain Hose

Water Inlet Filter
Gasket

Warranty

Natural Refrigerant

Watermark

A Watermark approved* water filter, suitable for the water type at the place of installation must be used. SKOPE can provide a water filter that protects the Ice Maker, and ensures proper function and high quality ice production. Service or repair due to absence of a suitable water filter will not be covered by SKOPE warranty. Contact SKOPE for more information.

*Watermark approval is only applicable to Australian installations. Elsewhere, a suitable water filter must be used
